FILING AND SERVICE OF REVISED STAFF PROPOSAL AND ALTERNATIVE

EXPENDITURE LIMITATIONS FOR THE RENEWABLES PORTFOLIO

On February 12, 2014, the Administrative Law Judge (ALJ) notified the service list in this proceeding by e-mail that:

Due to unforeseen circumstances, the service of the revised staff proposal on the RPS procurement expenditure limitation, scheduled for Friday, February 14, 2014, must be postponed. This also postpones the date for filing and service of any alternative proposals, which are to be filed and served simultaneously with the revised staff proposal.

The revised schedule¹ for filing and service of the revised staff proposal and any new or updated alternative proposals (updated alternative proposals) is as follows:

¹ Parties were notified of this revised schedule by e-mail on February 19, 2014.

Revised Staff Proposal and updated alternative proposals filed and served.	February 20, 2014
Comments on Revised Staff Proposal and updated alternative proposals filed and served.	March 19, 2014
Reply comments on Revised Staff Proposal and updated alternative proposals filed and served.	April 3, 2014

Detailed instructions for the filing and service of comments and reply comments may be found in the ALJ's Ruling Requesting Comments on Revised Staff Proposal and Updated Alternative Proposals for a Methodology to Implement Procurement Expenditure Limitations for the Renewables Portfolio Standard Program (February 20, 2014).

IT IS RULED that the schedule for filing and service of the Revised Staff Proposal and any new or updated alternative proposals for a methodology to implement procurement expenditure limitations for the renewables portfolio standard program is as set forth above.
